

REMINDER ON USING YOUR COMDATA CARD:

When you are paying for anything with Comdata & it asks for your TRUCK ID, you **MUST** use your **EMPLOYEE ID** instead. Your truck # is **NOT** associated with your Comdata account at **ALL** – it will reject every charge you use your truck ID on. It will **NOT** reject your charge if you enter your Employee ID in **the place of Truck ID** when it prompts you to do so.
